Sir:

Please supply the undersigned attorney with a corrected filing receipt for the above-identified application. The undersigned also respectfully requests that the Patent and Trademark Office records be amended to reflect the corrections.

The U.S. Patent and Trademark Office issued a Filing Receipt which incorrectly listed the title as "Preparation containing cell extracts for synthesizing cell-free protein and means for synthesizing cell-free protein" when the title should read as follows: "A Preparation Containing Cell Extracts for Cell-Free Protein Synthesis and Means for Synthesizing Protein Using the Preparation," as set forth in the Declaration. A copy of the Filing Receipt reflecting this correction in red ink is attached.
